a lifetime" - Little Rascals

living like lifes going out of style
i know you would be there
either way
i'm so glad it seems like
these times
will never fade!"*

*"You can always tell when people are
best friends, because they're always
having way more fun than it makes
sense for them to be having"*

"If I had only one friend left,
I'd want it to be you.
Someone who
understands me
and knows me
inside and out.
Helps keeps me together,
believes without a doubt.
If I had only one friend left,
I'd want it to be you."

.....

"Friends are supposed to
last forever
Most rarely do
But I know we'll stick together
because the true ones always do"

.....

"a BEST FRIEND is like a four
leaf clover,
hard to find,
and
luck to have!"

.....

"Friendship is forever
never does it die
true friends stay together
and never say goodbye"

.....

"A real friend is the one who
walks in
when the rest of the world walks
out"

.....

"The best kind of friend is the kind
you can sit on a porch and swing
with,
never say a word, and then
walking away feeling like
it was the best conversation
you've ever had."
